FORCE MAJEURE:

Neither the Seller nor the Buyer shall be liable for any failure to perform as required by this Contract to the extent that such failure to perform is due to force majeure which is reasonably beyond said party's control, such as earthquake, flood, fire, factory downtimes, war or other unforeseen events, and whose occurrence and consequences are unforeseeable and unavoidable.

The party's obligations under the Contract affected by such event shall be suspended for the period of delay caused by such event. The prevented party shall notify the other party without any delay, and within 15 days thereafter provide detailed information of such event explaining the reason of its inability to perform all or part of the Contract.

The Buyer and Seller shall, through consultations, decide whether to terminate the Contract or to exempt part of the obligations for a certain period until the event of force majeure has ended.

NON-CIRCUMVENTION AND NON-DISCLOSURE

This agreement is not to be freely circulated and is only for the purpose of the transaction contained herein.

The parties accept and agree to the provisions of the International Chamber of Commerce for, non-circumvention and non-disclosure with regards to all and every one of the parties involved in this transaction and agreement, additions, renewals, and third party assignments, with full reciprocation for a period of 5 years from the date of execution of this agreement with additional 2 years automatic roll – over renewals at the close of each transaction or exchange of information.

This clause is extensive to all subsidiaries and or affiliated companies and includes and protects the intermediary companies, acting as brokers. It is further agreed that any information of buyer, manufacturer and seller contained in this agreement is to be held in the strictest confidence, except to the legal councils, accountants or financial advisor.

Indemnity: Any Breach of this agreement will be treated as violation making the party responsible to compensate the other party for the loss.

Assignment: the parties shall not transfer or assign same or any part of the obligations of this agreement without the advance written consent of the other party.

Entire agreement: the entire agreement between the seller and the buyer is set forth herein and any amendment or modification shall be in writing and shall be executed by duly authorized representatives in the same manner as this agreement. The provisions of this agreement are severable, and if any one or more such provisions are determined to be illegal or otherwise unenforceable, in whole or in part, under the laws of stated jurisdiction, the remaining provisions or portions hereof shall, nevertheless, be binding on and enforceable by and between the parties hereto.

GUARANTEE LETTER:

Manufacturer will provide a guarantee letter covering full legal & corporate responsibility to safely deliver goods FOB Shanghai international even during the event of an export ban on the product described above by the PRC authorities.

GENERAL PROVISIONS

By signing of this contract, all previous correspondence and negotiations connected herewith shall immediately become null and void.

This contract comes into effect from the date of signing and receiving of it by all parties.

Any additional amendment and additional clauses to it shall be valid only if made in writing and duly signed by all parties are involved.

This contract shall be made in TWO (2) original hard copies in English language, where each party shall be entitled to receive an original hard copy of this contract in electronic form.
